#MDCPSListens

You spoke. We listened. Miami-Dade County Public Schools received nearly 30,000 responses to its Strategic Planning Survey and connected with close to 2,000 stakeholders through focus groups, citizen participation groups, and our listening tour. Community feedback has been used to begin planning for the future of M-DCPS. Come join us to learn more about identified priorities and provide additional feedback.

Thursday, May 6
6:00 p.m. - 7:00 p.m.
